CONFERENCE & EVENTS

Our main conference suite is called the Brewery Suite and stands on the site of the original brewery. It is an ideal venue for seminars, meetings, development days and training. Its high oak beamed ceiling also makes it an ideal venue for exhibitions. It is adjacent to the main car park and can be easily accessed either through the main hotel or via the Leisure Centre. It also makes a perfect setting for Corporate Theme Events - and can be adapted to suit clients' individual requirements. We also have a Syndicate Room for break-out purposes and two other rooms; The Garden Room and The Conservatory, making excellent venues for breakfast seminars - the latter with full natural daylight.
